Dear Refund Branch:

Pursuant to your instructions to request refunds for publication charges which publications never occurred, attached is a listing of Xerox Corporation cases. All the cases listed were charged for a publication fee to one of two deposit accounts maintained by Xerox, concurrent with the issue fee.

Every case on this list fulfills the following criteria:

1. All are issued patents.
2. All were charged for publication, fee code 1504.
3. All have no publication information in PAIR.
4. No refund has been detected.

Please see that the appropriate Xerox Corporation Deposit Account is refunded as soon as possible. If no refund is due, then please update PAIR and ensure in the future, all publication information appears in PAIR so that customers may avoid all the excessive amount of work associated with requesting refunds.

We will appreciate your quick action to refund Xerox for the mistakenly charged publication fees. I have formatted the print one page for each requested refund. Please contact me if there are any concerns.

Sincerely,

A handwritten signature in cursive script that reads "Dianne Ayers".

Dianne Ayers
